ever matters of interest may come under | deavoring to heal. - Eds. Apprais their observation, in the localities in which they may be dispersed. It is our wish to spread a board ample enough for all the old Appear, family, and around which old associates and friends may meet and commune with each other, however widely separated by more geographical ditance.

A Reverend Blackguard.

The United Problemand.

The United Problemand.

The United Problemand.

The embarrosments of the situation are peculiar, and naturally grow out of the state of things that follow the recolling; and this state of things to which we refer is especially disclosed by elections in both sections of the country. On the lacel of the war little else was to be expected than that those candidates should win, on both sides of the line, who have appointed Provost Marshal, McFarland appointed Provost Marshal, McFarland appointed Provost Marshal, McFarland appointed Provost Marshal, McFarland with the language.

mation of Messrs Toxersy and Ryddings, in the State Legislature. The notice from the Sheriff ordering the election, will, doubt so, be published in a few days.

BAR AFFARE INTEPRIE, EMS.

We regret to learn that there has been some difficulty in the northwest part of Tippah country, Miss., with the negroes in which are was killed. A morning contemparty gave some particularly very personal appearance and shortly shortly, which, if as stated, would amount almost to an insurrection. Other accounts, however, do not saily with this general, in which are seconds, however, do not saily with the second to the content of t
